

**Catherine Côté**  
**Vice President and Chief of Staff to the CEO**

Catherine Côté joined onsemi as vice president and chief of staff to the CEO in March 2021. Prior to joining onsemi, Côté held leadership roles at Cypress Semiconductor, in marketing, sales and as chief of staff to the CEO. She is a well-respected and passionate leader who drives cross-functional efforts, most notably through Infineon's acquisition of Cypress in April 2020. Catherine then became the head of engagement marketing where she was responsible for digital marketing, channel marketing and demand generation. Catherine began her career at Future Electronics, where she held various roles in product marketing and asset management.

Catherine earned her bachelor's degree in psychology from McGill University in Montreal, QC and a Mini-MBA certification from Santa Clara University Leavey School of Business in Santa Clara, CA.
